The Maynard Dinner is back

We are happy to announce that beginning on Tuesday, August 18 at 6:00 pm, the Maynard dinner will resume on a new day at a new location. Because the pantry is still being held on Monday nights from 5 - 7 at Clock Tower Place in Maynard, it is necessary to offer the dinner on a different night.

The Sudbury United Methodist Church has invited us to hold the dinner in their building on Tuesday nights. We are very grateful for their generosity in sharing their space. The Church is located at 251 Old Sudbury Road in Sudbury (Route 27). Transportation will be provided from Maynard for those guests who need it.

We are also very grateful to everyone who has worked to make this possible from our amazing volunteers to the Town of Maynard that is helping us coordinate transportation.

VOLUNTEER OPPORTUNITIES

With the new day and time of the dinner, not all of our current volunteers are available to work. That provides opportunities for people who have been thinking about becoming part of Open Table.

The following jobs are available:

Cooks work in the kitchen from 3 - 5:30 pm performing all the tasks necessary to prepare our delicious meal - much chopping is always involved.

Servers work from 5:30 to 7:30 dishing up the meals and delivering them to our guests.

Clean up crew is busy from 6:30 - 7:30 washing dishes, cleaning floors and insuring that the area is as neat and clean as it was before we came.

Shoppers visit grocery stores to purchase the ingredients for the dinner and deliver them to the kitchen when the cooks arrive.

If you can help with any of these jobs, please visit our website to register at <http://www.opentable.org/volunteer/volunteer-contact-page/>. Be sure to indicate on the form if you are available to shop.
