November 2015

Let's Talk Turkey

Join the 1,000 runners who begin their Thanksgiving celebration with some great exercise and an opportunity to help those less fortunate.

The 6th annual Concord Turkey Trot (where you can run or walk a 5K race) begins at 8:30 sharp with registration at 7:30 on Thanksgiving day. Bring a food item to benefit Open Table. Details and on-line registration at onyourmarx.com/concordTT/concordTT.asp

And our Colonial Hats off to students at the Alcott School who ran their Turkey Jog-a-Thon to benefit Open Table in October and to the members of Nashawtuc who held their annual Golf Fund raiser to

Share the Bounty on Halloween.

The Maynard Pantry will be distributing Turkeys made available by the Greater Boston Food Bank. Open Table Concord will be offering a delicious Thanksgiving meal on turkey day. And because Thanksgiving isn't all about turkey, we are equally grateful to the Fenn School for their massive food drive to benefit Open Table.

Opportunities for you to support Open Table while you do something nice for yourself

Again this year Open Table will be offering the opportunity for our guests to shop for a gift that has been donated by our wonderful supporters. The Thoreau Club in Concord is sponsoring this year's program. Any family who donates an unwrapped gift (suggested value \$20) will be invited to be a guest of the Thoreau Club. The Thoreau Club will be creating a list of exciting programs and activities throughout the week of November 27th - December 5th to engage the community. Please email Travis Murray at Travis@thoreau.com to request more information about the upcoming Open table activity schedule at

Thoreau. Open Table volunteers who are also members of Thoreau join staff member Travis Murray in encouraging you to take advantage of this fun opportunity.

On Tuesday, December 8 6 Bridges Gallery on Main Street in Maynard will be offering 10% of their sales to Open Table as part of their December Give Back Tuesdays to celebrate their first year in business. The Gallery displays work from local professional artisans that would make great gifts or treats for you.

A very happy holiday season to all of you and to your families and friends. We remain constantly grateful to our wonderful supporters and volunteers.
