News from around the table

Summer Schedules

Hot weather and vacation plans have an impact on our summer schedules. Here's what you need to know about when Open Table is open and closed in July and August.

July 4th week (July 2-6): No pantry and no dinners; closed all week in both Concord and Maynard.

Month of August: No dinners in our Concord location; regular schedule at our Maynard location (pantry and dinner). Concord Community Dinner at First Parish will re-open Thursday, September 6th for our weekly meal.
Partnering with Neighbors

We have a new partnership with The Neighbor Brigade to provide meals for a family of four, one day a week. The Neighbor Brigade is a community-specific network of volunteers that mobilizes to take care of short-term needs for neighbors in crisis. They're providing meals five days a week for a local family with a member in the hospital and another experiencing a health issue; Open Table is providing one of those meals. This is a new partnership for us, and we look forward to continuing to find ways to support our Maynard neighbors.

Cummings Gala

Open Table Board of Directors co-chair Deena Whitfield and grant writer Jen Kelly donned their finest banana fruit hats to attend the celebration for the grant recipients of the Cummings Foundation’s “$100k for 100” program.

The gala took place June 6 and was a salute to the 100 small nonprofits throughout Massachusetts that provide vital services to residents. Open Table will use the money to fund additional staff in order to increase services for those with food insecurity.

Job Fair

Looking for work? The Stow Economic Development Committee invites everyone to their job fair, taking place at the Stow Community Center on route 117 Thursday, June 28 from 4-7 pm. Find out more here.
Ride for Food

Registration is open! Sign up to ride, spin, or just raise money! Sponsored by Three Squares New England, the money raised goes to alleviate food insecurity in the Greater Boston area. Open Table directly benefits from this event, so check it out here. Plus, it’s a boatload of fun!
