February – The Longest Short Month

Yes, and February is only 28 days (and 29 in leap year). And yes, it’s the shortest month of the year. But just because it’s the shortest month doesn’t mean it’s without events! In fact, there are plenty of interesting things happening throughout February.

We’re in This Together

We are here for you, supporting and training our new Volunteer Manager, and have volunteered to establish and managed her OWN orientation and placement system. We are happy that she will continue to Open Table, including successfully implementing pool coordinators and an online ordering system.

Speaking of Volunteers and Ordinances

After a long dry spell in public health advocacy, Acton Boxborough United Way has launched a new 10-year community plan to create a healthier community in all respects. This includes advocating for healthier foods in schools, and encouraging healthier living for everyone.

Food Drives

We have so many organizations that never do all that we do. Here are some grants that support us, without whom we could never do all that we do. Here are some places to donate your time and energy.

Open Table address hunger in our community, contact Sandi at smrowka@opentable.org. We’re looking for people to help with grocery shopping, faster pickup times, and safe delivery details.

Online Ordering

Thank you for your continued support of our online ordering program. Guests can select what they actually want, and nothing will be wasted.

We Have a New Volunteer Manager!

Get started by going online. And if you’re not comfortable going online, you can always phone in instead.
