New Programs in March

First, we want to thank our volunteers who have been so crucial during this time of need. We are seeing an increase in the amount of people who need support, so we are grateful for all of the extra hands. We are also looking for more Mandarin speakers, as well as Portuguese, Russian and Spanish. For more details on how to contact CCL, see below.

We're planning a different way to thank our volunteers each month, so look for your shift 3/29-4/1. Volunteer Jen Soilis and her daughter are baking for you this month, so be on the lookout for a sweet treat for you. Recipe inside!
